Subject: TI FOIA Update

As you know, the deadline for this FOIA is fast approaching. I have exhausted all the avenues I know about to find additional information responsive to Saul Bloom's FOIA request. Karen Goldberg is currently reviewing the unindexed material I obtained from the Federal Repository for releasability. Today I had a conversation with Matt Miguard about possible files and other materials in the Site Assessment group. Matt confirms that any files associated with Treasure Island would be in the Records Center or Repository.

If anyone has additional suggestions, please let me know. Otherwise, I will respond to Saul Bloom as soon as I hear from Karen.
